IX. ZONING CODE ADDITIONS/UPDATES:

A. **Accessory Structure Size (Detached Garage):** Zoning Officer Mathis presents changes to the wording for accessory structure size. Upon discussion Board Member Myers moved, seconded by Board Member Smith to present the following changes to the Village Board for consideration:

Suggested changes to §153.029(A) Height:

Remove the following section and renumber accordingly: (A) The height of any main or principal structure or accessory building may exceed the maximum permitted height by one foot for each additional foot by which the width of each yard exceeds the minimum yard dimension for the district in which such structure is located.

Suggested changes to §153.052(G) Regulations and Standards for Dwellings:

Accessory structures, except carports, must be fully enclosed, consisting of no less than four permanent walls and a roof, operable doors, and fixed or operable window. No stored materials or vehicles shall obstruct any door or window operation, not project outside the structure's perimeter. No accessory structure for storing vehicles, nor any accessory structure of a size capable of storing vehicles (except for carports), shall have metal or steel siding. A carport need not be fully enclosed. A carport may have metal or steel siding. ~~If a contiguous tract of property is located within the village limits and contains one and one-half acres or more, no accessory structure shall exceed 40 feet by 60 feet in size. If a contiguous tract of property is located in the village limits and contains less than one and one-half acres, no accessory structure shall exceed 24 feet by 30 feet in size.~~ **An accessory structure may not exceed one thousand two hundred (1,200) square feet or eight-percent (8%) of the lot area, whichever is less; but not to exceed maximum thirty percent (30%) lot coverage of all structures. If a contiguous tract or property is located in the village limits and contains one and one-half (1-1/2) acres or more, no accessory structure shall exceed three thousand six hundred (3,600) square feet of three-percent (3%) of the lot area, whichever is less, but not to exceed maximum thirty percent (30%) lot coverage of all structures.** No carport on any lot of any size in the village shall exceed 12 feet by 24 feet (12'x24') in size. *(Move this up before the new wording in bold)*

Suggested changes to §153.053(B) Height:

(B) No detached accessory structure shall exceed ~~15'~~ **25'** in height **or height of existing principal structure on the property**

These changes will be presented to the board at a later date due to Board Member Kamp being absent from this meeting so that as the liaison between the Zoning Board and the Village Board can review the recommended changes. On a roll call, the vote was:

Ayes: 6 – Board Chairman: Ted Laidig **Board Members:** Craig Kilby, Chuck Lowery, Tad Myers, Steve Powell Sr. and Todd Smith

Nays: 0

Absent: 1 – Board Members: Kraig Kamp

There being six affirmative votes, the **motion carried**

X. NEW BUSINESS:

XI. ADJOURNMENT: 7:41 P.M.

There being no further business to come before the Board, Board Member Myers moved, seconded by Board Member Smith to adjourn. **Motion Carried.**
